PROGRAM

Friday , November 30th

From 8am to 4pm

LIVE SURGERY

Surgeons Room A : G. Fuchs, A. Patel, L. Defidio

Surgeons Room B : R. Scarpa, A. De Lisa, F. Cauda

MODERATORS : P.F. Bassi, G. Vespasiani

Moderation and interactive discussion of live surgical cases

All the operations will be performed on Kidney and Ureteral pathologies with rigid and/or flexible uretero-renoscopes.

Holmium and Thulium lasers will be used.

The brand new Digital Flexible Uretero-roscope (DUR-D) will be shown in use.

REVOLIX DUAL-MODE Laser will be used for the optimal treatment of stones and tumors.

From 4pm to 5pm ROUND TABLE on Clinical cases : Meet the professors in an interactive format

Moderator : G. Fuchs

Panelists : A. Patel, R. Scarpa, L. Defidio

Registrants should please bring along their own cases so we can really make this a truly interactive format so that you get the most out of the session!

SATURDAY, December 1
